ABOUT THE BIBLE

Luke wrote the Gospel that bears his name as well as the book of Acts. Scholars have known for years that Luke and Acts were actually two volumes of a large work about the early church. Both books begin with a dedication to someone named Theophilus, possibly the author's patron. Luke was also a physician (see Colossians 4:14)

We are glad you are worshiping with us. Our desire is to genuinely follow Jesus and impact our community with the goodness of God.
