ABOUT THE BIBLE

There are at least 185 songs in the Bible. Around 150 of these are found in the book of Psalms. There may, in fact, be more, but 185 is the number for passages specifically called songs, psalms, dirges, hymns or chants. Philippians 2:5-11 is one of the earliest Christological hymns that believers sang.

We are glad you are worshiping with us. Our desire is to genuinely follow Jesus and impact our community with the goodness of God.
