The book of Nehemiah in the Bible tells the story of how Nehemiah and the people built the walls of Jerusalem again. Nehemiah asked the king to send him to Jerusalem to build the walls of the city. The people who lived near Jerusalem did not want the Jews to build the city. They opposed the Jews and tried to stop the work. But God helped them and they finished the work in 52 days. God wanted the Jews to become His special people again. So Nehemiah, with the help of Ezra, helped the people to obey God
